

Golden Autumn in Klagenfurt am Wörthersee

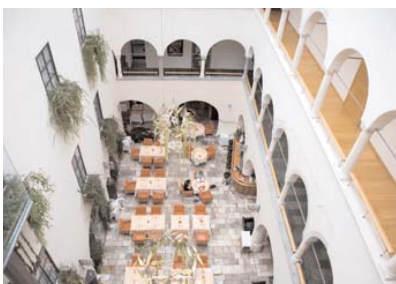

Klagenfurt am Wörthersee is the perfect destination for holidaymakers who prefer trips in autumn. Hikers, cyclists and enjoyers will be completely satisfied in the provincial capital of Carinthia.

Get to know and explore Klagenfurt am Wörthersee on hiking paths through woodland areas, walks along the shores of Lake Wörthersee, leisurely strolls through the old town, museums and galleries or on a great evening in the theatre.

Guests who would like to treat their body to some time off are nevertheless guaranteed an eventful stay. In the Planetarium they can set off for a trip into space, to far away planets; and in the Reptile Zoo they can touch snakes on a guided tour or experience crocodiles and giant turtles up close.

Carinthian specialities

Culinary delicacies rank very high in Carinthia's provincial capital. Enjoy treats at stylish award-winning gourmet restaurants, traditional pubs or on a culinary trip around the world at restaurants serving international specialities. The traditional Carinthian home-style cooking is also highly recommendable and something the locals are very proud of.

European Championship Host City

Klagenfurt am Wörthersee, host city of the European Football Championship in 2008, also offers a brand new attraction: the new Wörthersee stadium, an architectural highlight that is considered Europe's most beautiful football stadium, has become the new symbol of Klagenfurt in no time at all.
